

REMARKS

In response to the Restriction Requirement, Applicants have elected Group III and specific species. Applicants thank the Examiner for the indication that upon allowance of a generic claim, Applicants will be entitled to consideration of claims to additional species which are written in dependent or otherwise include all the limitations of an allowed generic claim as provided by 37 C.F.R. §1.141. Having made this election, Applicants expressly reserve the right to file one or more divisional applications on the subject matter of the nonelected claims.

On June 27, 2001, a Response to the Restriction Requirement was filed. Inadvertently, a copy of the Response to Restriction Requirement was filed instead of the original. Enclosed is the original re-dated version of the Response. We previously submitted a check in the amount of \$390.00 (Extension of Time Fee) (a copy of the check is enclosed). If a fee is required, the balance may be charged to the account of the undersigned, Deposit Account No. 23/2825.

Respectfully submitted,
